COMPANY PROFILE

Greetings

Money Overseas
(Premium Manufacturer & Exporter)

- An opportunity to introduce Money OVERSEAS as a Manufacturer and Exporter of all kinds of Floor Coverings (i.e. all type of Durries, Rugs, Mats, Bathmats & Carpets) and Home Furnishings items (Blankets, Throws, Bed Linen, Bath linen, Table linen, Kitchen linen, fabrics & made-up) in all type of yarns here at Panipat, Haryana. Currently, we are exporting home furnishing products around the globe including USA, Canada, and Greece. Also we sourced different fibres & material around India as per buyer requirement .
- We have all types of looms like Pit looms, Panja looms, Frame looms, Power looms, Shuttle Less Looms, Carpet Looms, and Tufted plants for cotton and woollen carpets, Bathmats Tufting Machines are also available. We have special width looms for Rugs and Carpets too.
- Money Overseas can offer to its customers probably the most comprehensive range of designs, colours, and qualities available in India & abroad.
- And, as market requirements leaders in Indian hand made products, we have a selection to suit all consumer tastes & Preferences.
- Managed by a well-experienced team of professionals, Money Overseas is committed to maintaining high standards of quality and production. We ensure that the rates, which you would pay, are competitive and realistic
- We are working with wholesalers, retailers, importers & boutique designers in many countries. Serving several big boxes, as well as boutique retailers, Wholesalers, Importers, Designers etc. in many countries, have given us a good understanding of the world market & trends. Our in-house creative team is constantly experimenting with innovative yarns-techniques-textures-colours-designs etc. in a quest to offer some interesting & value-added products to the home fashion market, thus enabling to aesthetically transform the homes of the final consumers of our products.
- But Yes, it's just the beginning and we have miles to go.

About Us

2

Money Overseas AT A GLANCE

- Money Overseas have been making braided rugs & other braided products for over 18 years. Our textile history goes back starting from job worker for our local Indian exporter.
- Now our braided products come to you from the tradition of our history with a fusion of innovation, color, and heritage & more creativity.
- In the year, 1999 my mother and father started a small braided making business on Panipat (Haryana) a small town 90 km from Delhi did they know that the unit, which they had set up in their home for (weavers colony) and supplying to local home textile exporters
- Money overseas are well known globally as premium manufacturers & exporters of home fashion studios, sampling units, designers, dyeing, manufacturing with good capacity packing & furnishing in the house.
- Our designer is widely considered to be one of the most creative & unique designs for respected customers continuous interaction with a variety of designs & different fiber's with diverse nature of business from different countries & fashion.
- **Our Values**
- At money overseas, we all have one thing in common. we love working with our family's own business because we face many of the same challenges as our buyers, we are actually aware we are only as successful as we are our buyer's so we strive for close working relationships with them with and upon their feedback and suggestions. we all love to innovate here, here not only through our designs & prices point but also through our systems and processes finding ways to improve our services, deliveries and more is always at the top of mind for us to buy in bulk from us for the best quality products & service.
- We hope you'll find a partner for success in money overseas.

Our Quality

Money Overseas
(Premium Manufacturer & Exporter)

We, at Money Overseas are committed to Best Quality

- We manufacture a wide range of quality handcrafted products, which being used in day to day life adds an elegant charm not just to individuals' living style but to the home decor as well. Strict quality measures are taken at every stage of production to ensure excellent product quality. Money Overseas adheres to consistent quality measures and provides best quality home furnishing products at competitive prices. The company follows a strict quality control program and ensure that its goods and services are of an acceptable sound quality. Our team of quality controllers regularly inspects processing unit and also takes special care in post manufacture handling & packaging of our products to enhance their shelf life.
- We conduct quality checks on three stages of production process. They are:
 - Primary inspection of raw material
 - Quality assurance by worker during work in process
 - Quality check of finished material
- Each and every piece is thoroughly checked at all stages before it is finally packed and shipped to its destination. Our highly efficient Quality Control section ensures that your order is processed as per your exact specifications with internally inspection report.
- We always follow the quality label AQL 2.5 standards.
- The idea of doing it is to give you true value for money in all times to come.
- Quality is the lifeblood of our home furnishing and decorative items, and the backbone of our extensive business. The quality and durability of our clothing, fastness of colors, aesthetic designs, elegant artistry, and striking novelty, etc. have been the focal points of our visionary company since its inception in 2005

Our Vision

5

Our Mission

6

Mission

- **Creative:** Exploring endless possibilities in a design-forward culture that generates value through cutting-edge, modern design. It is one of our most powerful differentiators, hence nurturing creativity is imperative.
- **Innovative:** An undying spirit to change the norm. We thrive on fresh, new wave thinking that confronts excesses and are always mindful of the environment.
- **Driven:** Passionate about what we do, we're always hungry for a good challenge. Never one to seek solutions in the obvious, we push the boundaries to find better, smarter ideas.
- **Authentic:** Whether in external relationships or work culture, we stand by our word and promise only what we mean. Every accomplishment is the modest beginning of yet another.
- **Customer-centric:** Intuitively understanding needs and trends, and offering superlative service as well as pro-active assistance with a smile.
- **Consistent:** Timely execution and production processes that are closely monitored, ensure consistent value generation and output. This cycle of consistency has earned us the trust of customers worldwide.
